WORK EXPERIENCE

Frontend Developer   2022 - 2023

Web2Rise Solutions

I created dynamic websites utilising WordPress and PHP as well as static websites for clients in my previous position as a frontend developer at Web2Rise. In order to make sure that our ideas were both practical and user-friendly, I carefully worked with the UX/UI design team.

Frontend Developer   2023

ADG Online Solutions

Currently working in a company named ADG Online Solution where I work on HTML CSS & Bootstrap and along with this I am also learning React JS And JavaScript
